

Maui Under Moonlight

Lyrics and music by Mark Yamanaka

On the Island of the Valleys, in the early evening
sky
The moon rose high above us and shone on you
and I

Silhouettes of the palm trees sway to the sounds
of the sea
It's you and me together, in a place so heavenly

Maui under moonlight
There's no place I'd rather be
Maui under moonlight
Just for you and me

As winds swirl down the mountain, Haleakalā
It sings a sweet refrain of lovers deep in love

Pā ka makani o Haleakalā
Eō mai kona leo o ke aloha ho'oheno
