

This is Paradise

Music & Lyrics by Mark Yamanaka

Fragrance of flowers fill the air
People around here without a care
This is Paradise, this is Hawai'i

The ocean sings a melody
Sea birds glide across the sea
This is Paradise, this is Hawai'i

Mountain ranges standing tall
Beautiful beaches and waterfalls
Rainbows seen from everywhere
Nowhere else can compare

Palm trees swaying to and fro
Warm sunshine and the trade winds blow
This is Paradise, this is Hawai'i

Hula girls do a dance for you
While Uncle plays his favorite tune
This is Paradise, this is Hawai'i

Keiki playing on the sand
Lava flows across the land
Aloha is what we have to share, nowhere else
can compare.

This is Paradise, this is Hawai'i
This is Paradise, this is Hawai'i
This is Paradise, this is Hawai'i
