

Eia Ke Aloha

Come along with me into night

In your arms everything is alright

So I will sing you a song

As we stroll along

The edge of heaven

Nanea i ka 'oē a ke kai i Kaimū

Relaxed in the sea's murmur at Kaimū

Ho'onanea i ka la'i aumoe

Content in the serenity of midnight

'Auhea 'oe, e o mai 'oe

Hear my call, answer me

Eia ke aloha, 'eā, ke hea aku nei

Here's my love calling out to you

Listen, can you hear the song of the ocean?

Beckoning like a sweetheart full of emotion

In the still of the night

Kissed by moonlight

I'm on the edge of heaven

Hā'ina ka puana ua lohe 'ia

My story is told

I ka malu o ke kīpuka lupalupa

In the peace of the lush kīpuka

Pāhola 'ia mai ka pōmaika'i

The blessings are extended

Eia ke aloha, 'eā, ke hea aku nei

Here's my love calling out to you
