Ka'ū is my lovely adornment.

My skin, drenched by the vigorous pelt  
of the Hā'ao.

Kamā'oa is resplendent in Mahana's  
green sands with strands of pōhuehue  
binding me in the spray.

My voice ascends the rise of the  
landscape.

Blissful pleasure carries on through the  
midnight hours.

Kamā'oa is resplendent in Mahana's  
green sands with strands of pōhuehue  
binding me in the spray.

Leaping into the thrill with reckless  
abandonment to revel in voluptuous  
feminine contours and jutting  
masculine protuberance. Shiny  
congratification to all!
