

Kaulana Versae

Lyrics & music by Kainani Kahaunaele

Kaulana Versae

I Versae ke kula a'ia'i ē
Je taime ke ko'i'i koi a loko
S'il vous plaît ho'i kāua i laila

The shimmer of gold at Versailles is sheer opulence like the love from the depths of my soul for you. Let us indulge in another rendezvous.

Akahi ke aloha, ua hiki mai nei

I ka ho'olalelale a ka maka
Hō a'e kāua i luna ala
E hua'i pau ai nā 'ai a ka u'i

Just one look leaves me breathless. Come hither. Let's take in the panorama from the upper echelon of the City of Love.

Hui:

Leha i luna i Kauleopalisa
Welelau linohau kū kilakila
I kilipue kāua a ho'omau iho

Behold the grandeur of the Eiffel Tower with its monumental luminescent apex. An ardent embrace spurs our arousal into the morrow.

Kīhāpai pua ua kaulana
Iā Hōkū'ula me Puaiki
'O ka 'iniki a ka ipo ahi
He hao kuni ia na ke aloha i ku'u poli

Legendary is Luxembourg Gardens for Marius and Cosette's foray into romance. The pinch of my fierce lover is like the branding of love on my heart.

Hui:

Leha i luna i Kauleopalisa
Welelau linohau kū kilakila
I kilipue kāua a ho'omau iho

Behold the grandeur of the Eiffel Tower with its monumental luminescent apex. An ardent embrace spurs our arousal into the morrow.

Leha i luna i Kauleopalisa
Welelau linohau kū kilakila
I kilipue kāua a ho'omau iho

Behold the grandeur of the Eiffel Tower
with its monumental luminescent apex.
An ardent embrace spurs our arousal
into the morrow.
