

Kīholo

Kīholo i ka malu kiawe

Kai malino a'o Kona

Kai nehe i ka 'ili'ili

I ka 'ehu kakahiaka

Lei momi o ke aloha

Ka 'ōnohi o Hualālai

Ua la'i ka nohona Haina

Me ka home pumehana i ka 'aekai

Puana ke aloha no Kalaehou

Holuholu ke oho lau milo

Nahenahe ka leo hone a nā manu

Kīholo i ka malu kiawe

Puana ke aloha no Kalaehou

Holuholu ke oho lau milo

Nahenahe ka leo hone a na manu

Kiholo i ka malu kiawe

Kīholo in repose under the kiawe  
canopy

Whilst frolicking in the smooth Kona  
seas

With 'ili'ili rustling the day away

In the first blush of morn

Prized strands of pearls

Grace the crown of Hualālai

In the tranquility of the Hind home

Brimming with warmth at the water's  
edge

For you, Kalaehou, is my refrain

In the arc and sway of the lau milo

Sweet and lovely is the charm of the  
birds

Kīholo in repose under the kiawe  
canopy

For you, Kalaehou, is my refrain

In the arc and sway of the lau milo

Sweet and lovely is the charm of the  
birds

Kīholo in repose under the kiawe  
canopy
