

Paula Fuga-- Misery's End lyrics

Just something I must do for our future
Always knew that it would be just so
I'll be counting the days
And I won't get use to away
Before I sail away
I want you to know
That when I go
I'll come back home to you someday
And all these loving memories
I promise to keep with me
Misery's end is on your lips
But please don't say don't go away from me
You know I'm just a breeze
Coming in through the trees
Before I sail away
I want you to know
That when I go
I'll try my best to phone daily
Remember no news is good news
And the good news is I love you
Before I sail away
I want you to know
That when I go
I'll try my best to phone daily
And when I return
I hope you pick me up in baggage claim C
You know I'm just a breeze
Skipping over the sea
